The P.U.D. is self-explanatory. This may
perhaps be referred unofficially to the
Director of Printing, Stationery and Publications
for remarks as to the rates claimed for
preparing the voters lists and the facing

or had not approached the Govt Press
for this work is not known. The work
appears to have been entrusted to the
private printers only.

From the report of the
Commr it is seen that
the G.O. issued for
printing electoral rolls
may be made applicable
to the printing of the Municipal
Electoral Rolls. This may
be appd.

The second point on which
the Commr requires ratification
of Govt is that the payment
of the charges of the printing of the
facing sheets at Rs 5/- per
page. This may be ratified

SIR,

Subject Printing of Municipal Election Rolls

(1) Adverting to Government Notification No L 17800-CV^x 32-52-7 dated 17/19-1-1953 regarding the division of the City into 40 Constituencies for election of members (at one for each of the Constituencies) to the Council to be re-constituted from 1-4-1953, I write to state that the list of voters of each of the 40 Divisions of the City were prepared after receipt of the above Notification and got printed in the local presses for due publication on 4-2-1953 (which was also done) as per calendar of events drawn up for the conduct of Elections

(2) There was not sufficient time then to take formal sanction before hand¹ regarding the printing. But as the several printers were willing to take up the work at the rates sanctioned in G O NO EB 6560-6723/Eln 29-52-6 dated 29-7-1952 for printing Electoral Rolls of General Elections viz, at Rs 6/- per page of original sheet and at Rs 5/- for supplemental sheets, the work was got attended to pending sanction in the interest of quick despatch of work at ~~that~~ time. Bills were also paid at those rates before the close of the previous official year to avoid lapse of budget provision

(3) The subject was placed before the Managing Committee for their formal sanction. They approved at their meeting held on 19-5-1953 on the proposal to make the Government Order dated 29-7-1952 applicable to the printing also in respect of the Voter's list.

(A) It is to be stated that since the Electoral Divisions were formed for the first time, it was felt necessary to indicate for ready reference the particulars of the boundaries of each of the Divisions on a facing sheets to be provided for each copy of the Roll. Accordingly they were got printed and attached to each copy of the Roll of the forty Divisions. As the claim of the printers for this work, at the same rate of Rs 6/- applicable to original lists was observed to be excessive, the Managing Committee examined the claim in detail and have approved in the same resolution dated 19-5-1953 referred to in para 3 of the Commissioner's note that the facing sheets be paid at Rs 5/- per page.

(5) The Council have approved of these recommendations of the Managing Committee at their meeting held on 29-5-1953.

In enclosing a copy of the resolution ^{and} also the Commissioner's note in this behalf, I request you kindly to obtain orders of Government, regarding (1) making the Government Order dated ^x29-7-1952 applicable to the printing of Municipal Election Rolls and to the payment made to the Presses accordingly in respect of Electoral Rolls, and (2) to the payment of the charges of printing of the facing sheets at Rs 5/- per page.

(b) As the printers of facing sheets have been urging payment of the bills, action has been taken to arrange payment of the bills in anticipation of Government sanction.

I request that orders of Government may kindly be
and obtained ratifying the action taken

(7) The cost on this account will be met
out of ~~met out of~~ the provision made for Election
in the current year's budget under A II (2) (e)

Yours faithfully,

(N Lakshman Rau)
Municipal Commissioner

CITY MUNICIPALITY,
Mysore Dated 15th June, 1953

Note

Deferred Sub No 65/18-4-1953 of the Managing Committee
re printing of Municipal Election Rolls

This subject was deferred and I promised to go into this matter in detail and furnish a note Hence the following -

From the records I see that the Municipal Election Rolls of the 40 Divisions had to be got printed through various local presses at short notice Government have in their No EB 6560-6723/Eln 27-52-6 dated 29-7-1952 sanctioned a rate of Rs 6/- per page of the election roll and Rs 5/- per page of amendments This Government Order was followed when the electoral rolls of the Municipality were got printed and no tenders were called for There was no time ~~to~~ to go through these formalities and the Government had fixed up these rates for the General Elections after taking all matters into consideration The audit objection is that this rate has been allowed, based on the Government Order which has been issued in connection with the printing of the rolls of the General Elections But as has been already pointed out, electoral rolls for the general election and for the Municipal Elections contain the same names

Secondly the point for consideration is whether the same rates could also be admitted in the case of facing sheets The Press has claimed Rs 6/- per page The Auditor has objected to the passing of the bills obviously because the facing sheets contain hardly about 7 or 8 lines The Government Order, referred to, no doubt does not contemplate the printing of the facing sheets They have been prepared in this Municipality for the sake of convenience so that the voters might get a correct idea of the contents of lists The Press contends that the work involved in printing these facing sheets is the same as for printing one page of the rolls But as the total number is 40, the rate allowed per page of amendments viz, Rs 5/- may be allowed in the case of facing sheets will amount to only Rs 200/- If this is approved the total cost of the printing of the facing sheets as also of electoral rolls will be as under -

*Note The Total
Cost amount
of Facing Sheets*

1) Printing of Boundary notification		
2) Printing of Electoral Rolls		Rs 6835-13-0
3) Facing sheets		Rs 200- 0-0

Total		Rs 7035-13-0

With this note the matter will be placed finally before the Managing Committee for their approval
